

Mid-Cities Care Corps

Transportation Volunteer

- **What is Mid-Cities Care Corps (MCCC) Transportation program?**
 - A Volunteer, using their own vehicle, transports a senior to routine medical appointments or a quality of life drive, stays for the duration of the appointment, then returns them to their home
- **What is a “routine medical” drive?**
 - A routine medical appointment usually runs 1 to 2 hours, such as a check-up, eye appt., dental appt., or specialist appointment
 - A Volunteer will pick client up, stay the duration, and return client home
- **What is a “quality of life” drive?**
 - A quality of life drive could be taking a senior to the grocery store, a pharmacy, bank, a beauty salon/barber shop, etc., or doing their grocery shopping or picking up a grocery/pharmacy order and deliver
- **What days of the week are drivers scheduled?**
 - Routine medical appointments are scheduled for Monday – Friday
 - Quality of life drives are reserved Wednesday – Saturdays
- **How long does a typical drive last?**
 - Drives last typically 2-3 hours and cover the Northeast Tarrant county region, including the downtown Ft. Worth Hospital district and the north Arlington Hospital district
- **How many times per month will I be expected to drive?**
 - It’s up to you, you can drive as often as you like
 - If you have 3 hours per month to share, then you can be a volunteer driver
